TIME MANAGEMENT

Designating study hours in your week can be critical to your success.

Using a planner can be helpful.

For every hour in class, spend at least an hour at home reviewing notes and material from class.

Time Trade Offs

**SELF CARE
AND MENTAL HEALTH**

**This is a BIG one!
Think about

**What does
YOUR body
need?**

Who is your tribe?

**Everyone needs a
support system.
Choose yours
carefully.**

FIND YOUR PEOPLE

- STUDY GROUPS
- CAMPUS ORGANIZATIONS
- COMMUNITY VOLUNTEERING

THIS MIGHT BE THE YEAR TO TRY SOMETHING NEW!

IF YOU CAN'T FIND A CAMPUS ORGANIZATION YOU ENJOY, START ONE OF YOUR OWN.
